

Bright Lights

Presenting Victorville's
Bright Light
Citizen of the Month
Program

Is there a Bright Light Shining in Your Sky?

Do you know someone making a difference in Victorville? A volunteer who faithfully visits the elderly? Someone who rescues abandoned animals? A coach or counselor or a business person who donates their services or products to others in need? If so, they are a candidate for the Bright Lights Program.

What is Bright Lights?

It's a program about people. We believe it's our people that create the true success stories in Victorville. That's why the City of Victorville has created the Bright Lights Program to showcase the amazing stories of our unsung heroes who truly make a real difference in our community. And you know who they are. That's why we need to hear from you.
